Hello Carver E&S Community,

Lets take a moment to stop and think about all of the coins we have dropped and never picked up or saw them lying around on the floors and in the streets, and we just walked over and away from them. **Billions of dollars in coins** are out there being boxed up, bagged up, laying around, being thrown around, kicked around and walked over. **Coins that are needed so badly to fund research, to save lives.**

We are very proud to say that for the past three weeks, the Carver E&S Community has found, picked up and donated, \$1,404.58 to the Leukemia and Lymphoma Society's "Pennies for Patients Campaign" for Research to Cure, Blood, Prostate, Lung, Breast, Kidney and Ovarian Cancers and other life threatening diseases that effect children every day.

The Carver E&S Community found and donated, a **Coinstar total of 30,033 coins.** 23,134 pennies, 2,273 nickels, 2,746 dimes, and 1,880 quarters. A total of **\$1,092.58 in coins and \$312.00 in bills.**

Please take a minute, to pat yourselves on the back and **"Feel Good Carver E&S"** about a job well done.

It was close, very close, but the advisory that **found and donated** the most coins, was **Mr. Lick's Advisory, Advisory 701.** **Advisory 701 found and donated \$146.86 in coins.** **Advisory 304, Mr. Green's advisory** came in second place, they **found and donated \$124.68 in coins** and **Advisory 802, Ms. Puntel's advisory** came in third place they **found and donated \$117.62 in coins.** **"Thank you" for your contribution and support to the Leukemia and Lymphoma Society "Pennies for Patients Campaign".**

Thank You to the following advisories who **found and donated \$50.00 or more in coins:**

Advisory 101 --Ms. Carter	\$77.25
