GRADUATION REQUIREMENTS

At Carver HSES most students graduate with more than the minimum required credit and take more demanding courses. As our school name indicates, we place a special emphasis on science and mathematics, providing advanced courses in these areas, as well as opportunities for Advanced Placement and College classes. Our intent is to provide our graduates with the knowledge to be successfully competitive with their peers from across the country.

CREDITS

Over the course of four years a *minimum* of 23.5 credits, in the designated content areas, must be earned for graduation:

- a. 4 credits in English
- b. 4 credits in Social Studies
- c. 4 credits in Mathematics
- d. 4 credits in Lab Science
- e. 2 credits in World Language
- f. 2 credits in Arts/Humanities
- g. 1 credit in Physical Education
- h. 1/2 credit in Health Education
- j. Multidisciplinary Project

As part of the required credits listed, all Carver HSES students are expected to take an initial survey course in Environmental Science, Engineering and Computer Science. Also, Carver HSES offers AP courses in all major subjects which fulfill the designated content area credits as listed above.

All Carver HSES students are expected to take an Advanced Placement (AP) Course prior to graduation to prepare them for college.
